

FIBERGLASS CABINETS AND ENCLOSURES

FOR FIELD EQUIPMENT PROTECTION

Shelter Works' engineered-to-order fiberglass shelters are the perfect solution for protecting your critical field equipment. Our cabinets and enclosures are manufactured to be weather-tight, durable, and secure. They also come backed by our industry leading 25 year warranty.

We offer three standard configurations including the "Clamshell", the "Big Mouth" and our Freedom Series enclosure featuring 2-piece or 3-piece options. Each cabinet is custom engineered to your specifications and can be easily modified for your application.

** measurements are approximate*
